

## Believer, you are now Yahshua's Temple on earth!

We begin with a heartfelt question from a Jewish writer...

*"I have often wondered, and still wonder, when did G-d stop talking to us or interacting with us, and why? I think of this often, but especially in relation to the destruction of the temples which He wanted us to build as a home for Him on earth. They were not just structures. We built them because He commanded us to build them, not as just another structure, but as a home for Him on earth! Why then, while many times before He intervened powerfully in many seemingly less important aspects of our lives, yet when the temples were being destroyed, He remained silent. And He still remains silent. Can you tell me why?"*

Here is the Scriptural answer to that question:

In Old Testament times, Yahshua dwelled in a temple made by men. After Yahshua's death and resurrection, He made **all** 'born-again' believers His dwelling place... *His living Temple!* Now, Yahshua dwells in each born-again believer and not a building made of stone as in the past. Now, He speaks to us and guides us every day to fulfill His purpose in us... *and in the world!* Because Yahshua now literally dwells in every born-again believer, He has multiplied **His** presence, purpose and glory throughout the world! *(Now do see why Satan and his followers hate true believers and want them destroyed.)*

*Or do you not know that your body is a temple of the Holy Spirit within you, whom you have from God? You are not your own, for you were bought with a price. So glorify God in your body.*

1 Corinthians 6:19-20

*Do you not know that you are God's temple and that God's Spirit dwells in you? ... for God's temple is sacred, and you are that temple."*

1 Corinthians 3:16-17b

Yahshua, help me to see my body as You do – as a holy dwelling place for Your Spirit. May I keep myself pure and set apart for Your use and Your glory. Amen.
